Julie is a happy little girl who lives in Paris, but she wishes she could walk in a country garden. Julie is pleased when her mother decides to take her to visit the most

wonderful garden in the world, owned by a great friend of the family. They arrive at their destination, and for this little girl it is like walking in a dreamy world where twisting plants grow as tall as trees. When Julie's dog runs away, she asks the gardener to help find her pet, and soon she and the gardener are friends. But this amiable, bearded old man is a very unusual gardener, for not only does he cultivate his many plants, he also paints beautiful pictures of them. Julie has made a friend of the great impressionist painter, Claude Monet. Based on a true story about the daughter of another fine artist, Berthe Morisot, this charmingly illustrated picture book includes reproductions by author-illustrator Laurance Anholt of a famous waterlilies painting, which Monet completed in his garden at Giverny, a few miles from Paris.
