Ever woken up in the morning and wished you didn't have to go to work, but your head is just empty of good excuses that your boss will actually believe, or better yet, let you take the week off? Well fear not, as *Throwing a Sickie* is here to help. From the sincere, to the sobbing, the outlandish to the extreme, this tomb of wisdom on the art of deceiving the boss will help you find an excuse for getting the day off. So if you've had a heavy night and fancy a lie-in, want to put off that deadline or skip that meeting, *Throwing a Sickie* will become an indispensable tool. A must have purchase for the work jaded and the work shy.
