Readers who fell in love with Precious Ramotswe, proprietor of The No. 1 Ladies' Detective Agency, now have new cause for celebration in the protagonist of these three light-footed comic novels by Alexander McCall Smith. Welcome to the insane and rarified world of Professor Dr. Moritz-Maria von Igelfeld of the Institute of Romance Philology. Von Igelfeld is engaged in a never-ending quest to win the respect he feels certain he is due—a quest which has the tendency to go hilariously astray.

In Portuguese Irregular Verbs , Professor Dr von Igelfeld learns to play tennis, and forces a college chum to enter into a duel that results in a nipped nose. He also takes a field trip to Ireland where he becomes acquainted with the rich world of archaic Irishisms, and he develops an aching infatuation with a Dentist fatale. Along the way, he takes two ill-fated Italian sojourns, the first merely uncomfortable, the second definitely dangerous.

评论

有点像small world里切出来的一小份，围绕三个philologists 的小故事。
