Get into the center of the action with The Stadium , a book that takes you to some of the finest event centers across the globe.

Sports fans in the United States can revisit their own home fields such as the Reliant Stadium in Houston, SBC Park in San Francisco, Oriole Park in Baltimore, and

experience international attractions such as the Millennium Stadium in Cardiff, Wembley in London, Arsenal in London, and the Olympic Stadium in Sydney. With 250 eye-popping photos and 70 architectural plans, this book defines the stadium as a worldwide cultural icon.
