Discover the precious present and find yourself!

A simple story, engagingly told, The Precious Present does more than capture the heart; it is a valuable gift for anyone seeking a deeper level of fulfillment and personal happiness.

Telling a story of vital significance in today's fast-paced, competitive environment, The Precious Present will help you discover the joy in life we all seek--whether we go to Wall Street or around the world to find it.

Just as Spencer Johnson's bestseller The One Minute Manager helped rehumanize the workplace around the world, The Precious Present helps each reader rediscover his or her own humanity. This beautiful tale demonstrates the delicate art of balancing your spiritual and material needs, and shows how this goal can be maddeningly elusive--and gloriously attainable.
