This collection of Taoist texts includes:

- The Taoist I Ching: The classic "Book of Change" illuminated by the commentary of the eighteenth- and nineteenth-century Taoist adept Liu I-ming. The first part of the book is the text of I Ching proper with Liu's commentary. The second part is Liu's commentary on two additional sections—known as the Overall Image and the Mixed Hexagrams—added to the I Ching by earlier commentators, believed to be members of the original Confucian school. In total, the book illuminates the Taoist inner teachings as practiced in the School of Complete Reality.
- I Ching Mandalas: A traditional program of study that enables students of the I Ching to achieve a deeper understanding of the meaning of this great classic. I Ching Mandalas presents diagrams as tools for whole-brain learning that help the student to visualize patterns and interrelationships among the trigrams and hexagrams of the I Ching.
