"The Fabulous Girl's Guide To Life" is fully of witty, incisive and helpful advice for the thoroughly modern woman. It covers many of the dilemmas and tricky situations a Fabulous Girl will encounter as she moves on to the next stage of her life, and will resonate with women everywhere. It includes: changing careers midstream: how to work with someone who undermines you; business trip etiquette; getting better service; how to develop your own fashion style; what to do when two friends split up; how to tell friend to stop drinking/lose weight; making booty calls; dating someone with kids; career conflicts in a relationship; how to break up with style; last-minute entertaining; and how to survive family gatherings and end family feuds. And woven through the books is the continuing story of the Fabulous Girl herself.
