isbn:9780521793957

Theologians have responded in many different ways to the challenges posed by theories of postmodernity. Kevin J. Vanhoozer addresses the issue directly in an introductory survey of what "talk about God" might mean in a postmodern age. The book offers examples of different types of contemporary theology in relation to postmodernity, and examines the key Christian doctrines in postmodern perspective. Leading theologians contribute to this informative Companion.
