For the first time ever, the #1 New York Times bestsel-l-ing authors reveal how to actually speed up and max----imize the return on invest--ments to achieve total fin---ancial independence. Most people think that simply getting a modest return on one's investments is going to take care of them forever, right through their golden years of retirement. But for lots of invest----ors, waiting-and hoping-for a 10% return on their stocks, bonds, and mutual funds is turning out to be a long and perilous wait. In this startling new book, Robert Kiyosaki shows how one can velocitize their money in such a way that they can quickly achieve financial wealth with extraordinary returns and amazing growth. Sound too good to be true? It's not-and Kiyosaki and Lechter show how anyone can make the move right now. H The eighth book in the series, RICH DAD'S WHO TOOK MY MONEY?, follows the success of the previously published titles-Rich Dad Poor Dad (Warner, 2000), The Cashflow Quadrant (Warner, 2000), Rich Dad's Guide to Investing (Warner, 2000), Rich Dad's Rich Kid Smart Kid (Warner, 2001), Rich Dad's Retire Young Retire Rich (Warner, 1/02), Rich Dad's Prophecy (Warner, 10/02), and Rich Dad's Success Stories (Warner, 10/03)-which have sold more than five million copies combined. H The Rich Dad Poor Dad books are perennial New York Times bestsellers and have also appeared on The Wall Street Journal, BusinessWeek, USATODAY, and countless other business bestseller lists. H Robert T. Kiyosaki is a tireless promoter who continues to get his words of financial advice out to mainstream consumers through his bestselling books, board game, electronic game, and national seminars. H Available as a Time Warner AudioBook.

书评

这本书非常有意思，因为它考虑问题的角度一如既往的跟我们这些非资本家不一样，而且本书大量讨论税法问题，那也是我之前没有考虑过的，想着国家制定税法一定是非常有必要的，依法纳税便是。但是看完此书才明白，原来税法并不是我们想象的那样简单，它其中有很多奥妙，需要我们...
