出版者:Univ of California Pr

出版时间:2005-5

装帧:Pap

isbn:9780520244962

This is the late John A. Crow's classic study of the cultural history of Spain and its people, which he last updated in 1985 but which seems as fresh and pertinent as when he first wrote it. Crow devoted a lifetime to Hispanic studies and here provides a historical interpretation of Spanish civilization from its earliest beginnings to the present. The scope of this study is remarkable and includes chapters on Roman Spain, the Jews in Spain, the Moors, life in medieval towns, and the Golden Age of Spain, plus a view of Franco's legacy.

语言太优美。言简意赅的西班牙文化、历史读物。我买的是一本二手的，读完了可能会买一本一手的珍藏。

语言简直好呆了，必须占有一本， if God were not God, he would be the King of Spain
