Small and frail, Tutankhamen was an all but ignored member of the royal family of the great Egyptian pharaoh Amenhotep III. At the school of the "menoi," or tutors, he did not excel at physical activities with the other royal princes. Keeping to himself, he observed and admired the work of his father's craftsmen, who built glorious temples to Egypt's many gods. Someday he too would find a gift for those gods. Then Amenhotep III died and the unpopular reign of Tutankhamen's brother ended in mystery. Who now would be pharaoh? Could it be a boy of only ten? As he did with the life of "Saint Valentine" (Atheneum, 1992), Robert Sabuda combines simple text with artwork true to the historical period in which Tutankhamen lived.
