Emily Dickinson was a prolific writer and yet, with the exception of four poems in a limited regional volume, her poems were never published during her lifetime. It was indeed fortunate that her sister discovered the poems—all loosely bound in bundles—shortly after Dickinson died.

Collected Poems of Emily Dickinson is the complete collection of the first three volumes of poetry published posthumously in 1890, 1891, and 1896 by editors Mary Loomis Todd and Thomas Wentworth Higginson. The volumes were all received with

high acclaim and contain some of her best-known poems. It was in the twentieth century, however, that Dickinson was finally recognized as one of the great poets and, without dispute, the most popular.

The name Emily Dickinson is a legend now, but she never had the opportunity to taste the wine of success and fame in her lifetime. In fact, if there was any legendary status she received in her life, it was not for poetry but for the way she lived her life. She received local notoriety in her native town of Amherst, Massachusetts, as an eccentric recluse who, with few exceptions, would never set foot outside her house. Yet, as her poetry will attest, she had a keen insight of life, love, nature, and death and seemed to be content with her station in life.

封面不同。

A masterpiece.

some things that fly there be,birds,hours,the bumble bee;of these no elegy.some things
that stay there be,grief,hills,eternity,nor this behoovet me.

深夜打材料打的心烦意乱~ 烦躁中 瞄见这本书 突然静下来 开始想念某些人，某些事。

You can never know how high you are till you are called to rise to the sky.
