Losing your planet isn't the end of the world...the movie tie-in edition of Douglas Adams's perennially popular novel, with exclusive on-set stories, interviews and pictures. Summer 2005 finally sees the release of THE HITCHHIKER'S GUIDE TO THE GALAXY movie from Walt Disney Pictures. Stars include Martin Freeman as Arthur Dent, Sam Rockwell as Zaphod Beeblebrox, Bill Nighy as Slartibartfast, supercool hip-hop artist Mos Def as Ford Prefect and the gorgeous Zooey Deschanel as Trillian. Completely new characters were developed specially for the film by Douglas Adams before his death and will be played by John Malkovich and Anna Chancellor. Pan's tie-in edition of this cult classic will include substantial extras from Executive Producer, Robbie Stamp: exclusive cast interviews, stories and photographs from the set.
