The powerful tale of a Japanese-Canadian girl, who survives the hardships of a WW II internment camp with the support of her strong aunt, Obasan.

作者介绍:

目录: This powerful, passionate and highly acclaimed novel tells, through the eyes of a child, the moving story of Japanese Canadians during the Second World War.

Naomi is a sheltered and beloved 5 year old when Pearl Harbor changes her life. Separated from her mother, she watches bewildered as she and her family become enemy aliens, persecuted and despised in their own land.

Surrounded by hardship and pain, Naomi is protected by the resolute endurance of her aunt, Obasan, and the silence of those around her. Only after Naomi grows up, does she return to question that haunting silence.

评论

oh god! they are accusing! they are accusing. they are voicing their sufferings, as if they don't know my people were tortured by their kind. how can I sympathize with them!! how can !!!!

Canadian Japanese History

日本人的安静。

History repeats itself. War reveals human nature.

除了末尾一章的抒情有蛮震撼力外，前面都觉得语句不通==

两天读完 为了Asian American这门课

“People who talk a lot about their victimization make me uncomfortable. It's as if they use their suffering as weapons or badges of some kind...it's the children who say nothing who are in trouble more than the ones who complain”

impressive silence and voice.

很ok

好书。

书评

Compared with the bustling and rustling praise and re-/over-interpretation over the past 20 years, Obasan has been tranformed from postcolonial paragon to a self-marginalising strategist. The very imbalance between its original authorial intention and contem...
