著者:Soanes, Catherine (EDT)

出版者:Oxford Univ Pr

出版时间:2001-1

装帧:Pap

isbn:9780198603788

Compact and easy to use, the "Oxford Dictionary of Current English" is ideal for general reference needs, whether at school, home, or in the office. It offers excellent coverage of English as it is used today around the world, the defining style is straightforward and non-technical, and thousands of examples illustrate idiomatic usage. All irregular noun, verb, and adjectival inflections are spelled out in full, while guidance on grammar and good usage is provided by in-text notes. Additional features include Wordbuilder boxes giving information on related words and thematic tables on subjects, such as countries, chemical elements, and nationalities.
