One of the best-selling and critically-acclaimed graphic novels of all-time telling the story of two supremely ironic, above-it-all teenagers facing the thrilling uncertainty of life after high school. As they attempt to carry their life-long friendship into a new era, the careful dynamics of their inseparable bond are jolted, and what seemed like a future of endless possibilities looks more like an encroaching reality of strip malls, low-paying service jobs and fading memories.

Already one of the most heavily-publicized graphic novels in history, this new edition (featuring new covers by Clowes) should make the book more popular than ever. With lengthy write-ups in Time, Newsweek, Publisher's Weekly, Details, Vogue, Jane, and many others, press interest in the book and film promises to be higher than ever this spring.

Such a good and relatable book I just wanna die. It gets so sad in the end with Enid :(

-----  
不太喜歡這畫風

-----  
Pretty different from the movie but pretty damn good!

-----  
一颗敏感的心灵观察着世界但不知答案，最后选择消失。that's right it's a ghost world, get a real life in Jesus Christ!

-----  
gibberish

-----  
电影版对故事改动甚大

「我想读这本书 2007-09-16」

幽灵世界这个词代表想象和回忆中的世界，现实永远无法如你所愿，你拒绝现实，就像生活在幽灵世界中一样。钱可以买到任何东西，却买不到童年一双普通的鞋和一张普通的唱片，那些东西属于幽灵世界。

This is perhaps the bible of coming-of-age feminists or just clueless girls in general, I fell in love with the comic after seeing the film, and with its quite abundant yet perhaps cult followers (from Lisa Simpson to Rookiemag), theres only more reasons to love. There is probably not another comic that cld EVER speak to girls like Ghost World.

"I just hate all these obnoxious, extroverted, pseudo-bohemian art-school losers!"

-----  
沒想到我竟然可以看到!!!

感觉很像初三高一那会儿www

没办法给评价啊，我英语太差，没看懂。

-----  
better than the film adaptation

重新认真看了一遍，有的地方还是要掉眼泪。比电影无聊厌世/自我厌恶和迷茫，两个女孩之间的感情也描绘得更细腻，还有微妙的竞争和三角关系。虽说电影已经改编得很不错了，但为了更有“戏剧性”，舍去了很多日常无聊感（恰好是本书精髓）。诶，青春期中二病什么时候才能愈合？

-----  
字体可爱但是读起来好吃力

-----  
看得我一直在“乐”……

-----  
漫画版麦田守望者么。。
