# Type for the Internet & Other Digital Media

[Type for the Internet & Other Digital Media_下载链接1_](#)

著者:Veruschka Götz

出版者:AVA Publishing

出版时间:2003-05

装帧:Paperback

isbn:9782884790024

Enhance your website design by knowing exactly which fonts to use to achieve optimum legibility and clarity. Featuring numerous examples of screen-based type usage, this vibrant guide describes how attributes are modified in relationship to type, size, type designs, color, and contrast. Bonus: Various typeface classifications are

examined and compared for effectiveness on the screen, such as serifs, san serifs, and computer typefaces.
