Basic Grammar in Use, Second Edition, is a new edition of a highly successful text for high-beginning to low-intermediate students. Each unit in the Basic Grammar in Use Student's Book is presented in a two-page spread, with simple, clear explanations on the left-hand page and practice exercises to check understanding on the right. This

edition includes an Audio CD with example sentences, 10 units of new material, more exercises per unit, and a section of Additional Exercises, which give students the opportunity to consolidate what they have learned. An edition without answer keys is also available. Basic Grammar in Use, Second Edition, can be used as a class text or for self-study.
