著者:Peter Thaler

出版者:gestalten

出版时间:September 2003

装帧:full colour, padded hardcover

isbn:9783899550214

Since the publication of Pictoplasma in 2001, characters are still the best way to create visuals with which one can identify. In Pictoplasma 2 Peter Thaler has distilled a fine selection of first-rate works, this time concentrating on the jump into the 3rd dimension (action figures, puppets) as well as Urban Art und graffiti combined with

traditional graphic design and illustrations – a fertile exchange between different styles and media.
