In these powerful essays, Jacqueline Rose delves into the questions that keep us awake at night, into issues of privacy and publishing, exposure and shame. Do some women writers - Christina Rossetti, Anne Sexton, Sylvia Plath - have a special talent for self-revelation? Or are they simply more vulnerable to the invasions of biography? Turning to psychoanalysis, Rose explores this affinity with modernism and asks what it can tell us about the limits of knowledge, both about the most intimate and baffling components of experience and about the furthest, hallucinatory, reaches of the mind. Written with style, power and clarity, these fine studies move deftly between public, political and private, unconscious worlds. Offering new links between feminism, psychoanalysis, literature and politics, "On Not Being Able to Sleep" provides a resonant and thought provoking collection for the present day.

1982年（拉康过世的次年），作者和Juliet Mitchell合作出版了拉康的Feminine Sexuality: Jacques Lacan and the École Freudienne..Dina认为Rose用了一种非常patriarchal的女性视角来解构父权.....不过文章都还蛮有趣的，其中同名文章为最佳..
