Disney characters invite children to discover the world of words in a new and magical way with My First 1000 Words. Thematic environments such as Beauty and the Beast's "Be Our Guest" and The Lion King's "Jungle Animals" bring a real-life context to language learning. Accompanied by lively and colorful illustrations, each featured word

also provides children with a visual and contextual clue about important word meanings. Additional Search-and-Find activities included in each section further serve to engage children in language learning. My First 1000 Words has been created as an essential beginning reference tool for preschoolers to help develop language skills, such as letter and word recognition, reasoning ability, sequencing, and categorizing.
