Sport Design presents the newest models and prototypes of well-known designers in the world of sports. Generously illustrated with over 400 color photographs that focus exclusively on the products themselves, the book features sports equipment organized by sports corresponding to each of the four elements: "Earth" represents soccer, handball, and basketball equipment for example, "Water " features swimming equipment, and so on through sections entitled "Wind" and "Snow & Ice. " Sport Design has been compiled by an editorial team closely connected to the world of design and will be of great appeal to sports enthusiasts and designers of every stripe.
