Welcome to Wonderland and the topsy-turvy world of Lewis Carroll, where nothing means quite what it seems and nobody might pass you on the street! Journey down the rabbit hole and through the looking-glass and enter into the mythical, magical imagination of Lewis Carroll and his beloved heroine, Alice.

Editor Linda Sunshine, in her follow-up to the bestselling All Things Oz , has gathered together an incredible collection of artwork, quotations, letters, recipes, puzzles and games inspired by the works of Lewis Carroll. She has traveled the world for the most

extraordinary examples of art from hundreds of editions of Carroll's works, including versions from the United States, England, Italy, France, Japan and Russia. Complementing Sir John Tenniel's classic drawings are works by such renowned illustrators as Arthur Rackham, Gwynedd Hudson, Charles Folkard, Blanche McManus, Gertrude Kay, Mabel Lucie Attwell and Milo Winter.

Also among the treasures in this collection is a short story Carroll penned for a young friend, "Isa's Adventures in Oxford," which has gone unpublished since 1900. Excerpts from Carroll's letters, most of which have been seen only in scholarly texts, reveal his passion for wordplay and his unique wit. Even rare excerpts from the magazines Carroll created as a child for members of his family are featured here, alongside images of his most famous characters.

Open this book and begin a curiouser and curiouser journey with Alice and her friends: the Caterpillar, the Cheshire Cat, the Mad Hatter, the Queen of Hearts, Humpty Dumpty, and, of course, the White Rabbit.
