"The Book of Shrigley" is the most extensive - and the first widely available - showcase

of his edgy but accessible off-kilter vision. Here are bad-tempered pets, strange attractions, work, S-E-X, knitting, wrestling, and a host of other everyday activities, dangers, and amusements laid bare in Shrigley's urgently illustrated panels and wickedly mischievous punch lines. Made up of almost entirely new work and bursting with color and unsettlingly funny truths, "The Book of Shrigley" is the ideal introduction to this comic genius and the book fans have been waiting for.
