David Doubilet is widely acclaimed as the world's leading underwater photographer. His award-winning book *Water Light Time* showcases over twenty-five years' of his work under the oceans and seas of all parts of the globe. Sharks and shipwrecks, rare and unusual species, exotic vegetation, startling and vivid colours, Doubilet's pictures inspire awe at both the wonder of the undersea world and the extraordinary skill of the photographer. A selection of beautiful images from this magical, and sometimes dangerous, submarine world is now available in a set of 45 postcards, with three each of 15 stunning images.
