Every year hundreds of new wristwatches are introduced. Some feature innovative

designs or mechanical improvements, and others are available only in limited editions, keeping the field interesting for collectors. Following the success of the previous edition, this new annual highlights hundreds of the year's most extraordinary wristwatches in close-up color photographs accompanied by complete specifications, giving collectors a wealth of up-to-date information, all in one volume. The specifications for each watch include price, movement, special features, complications, casings, dial, band, and available variations of a particular model. In addition, general histories of each manufacturer provide an overview of the company's background and style. The annual's elegant photography and organization will encourage readers to peruse the year's offerings watch by watch. And the range of styles, from classic to modern, will appeal to watch enthusiasts the world over, who will find this current edition both a handy reference and required reading.
