Hong Kong has something for everyone. You can join the gastronomes at ritzy restaurants or slurp noodles at neighbourhood food-stands; marvel at the bright lights on a harbour ferry cruise or explore the higgledy-piggledy laneways where the locals hang out. It's a glorious, crazy Chinese banquet: let this smart, stylish and streetwise guide show you the menu. • JOIN THE 'IN CROWD' in the most chichi cafes, bars and clubs: tell 'em Lonely Planet sent you • EAT WITH CONFIDENCE in the most authentic restaurants with our Chinese Food chapter • SNAP UP THE BARGAINS using our insider shopping tips- they'll save you a fortune • PICK UP THE PULSE of the city with our new 'City Life' coverage • GET AROUND with our easy-to-use, detailed colour maps

评论

在印度讀的(因為發現在和異國朋友閒談描述家鄉時力有不逮,shit.
原來我竟從沒想過我城是如何一個地方).只看了介紹香港history,cuisine之類的那幾頁.
這頗是外國人眼中的香港,舊物用新角度審視下豁然開朗,變得非常新鮮有趣.
