居室里怎样装修书架的指导书。

包括客厅，卧室，厨房甚至卫生间。

不仅仅是怎样设计，还有实用的DIY指导，
对我们这些在城市里生活的不可能DIY的人们来说，
看看这书上的一步步说明也是一种满足吧。
看着书中各式书架，真的是很享受的一回事。
真的有那么一种living with books的感觉呢。

作者介绍:

he is Librarian of the Prince of Wales's

Institute of Architecture and Vice-Chairman of the Twentieth Century Society.

Alan recently guest curated an exhibition on 1930s British Modern Modernism at the
Design Museum in London.

看了就想这样装修

This title might not be qualified as a 'visual feast', it is nevertheless a 'visual dessert' that you can enjoy with a cup of coffee, whether or not you love books. Was hugely impressed with that photo on p118, I shall feel like a king in that bath tub!!!
