HKS, headquartered in Dallas with offices in Atlanta, Los Angeles, Orlando, Richmond, Salt Lake City, and Tampa provides professional services in architecture, planning

structural engineering, interior architecture and graphic design. Founded in 1939, the firm has grown to be one of the largest architectural and engineering firms in the US, with more than 500 employees and projects located in more than 200 cities, in 42 states. HKS's business philosophy emphasises the performance and achievement of client goals. The effective application of this service philosophy has resulted in the consistent delivery of projects that are wel designed, technically well executed, and completed within budget and on schedule. This book documents a selection of the firm's best work.
