A sensual, poetic introduction and descriptive captions accompany 250 vibrant photographs of twenty one of Mexico's most lovely haciendas. Melba Levick's vibrant photos showcase the stunning architecture, lush grounds, colorful interiors, and rich artistry that permeates every corner of Mexican life. With an introduction to Mexican architecture, profiles of each hotel, and an extensive directory listing all of the contact information for each featured inn, Melba Levick has created an indispensable resource book as well as a celebration of Mexican life and art.
