There are great cars, and then there are sports cars, those that have not only withstood the test of time but steadfastly defied it -- cars that have remained desirable and valuable for more than 50 years, to become the most treasured automotive artifacts of our time. Many of the automobiles pictured in this book are stunning examples of the motorcar and require no further credentials. Others have been selected because they were benchmarks in the history of the sports car in this century. Illustrated throughout, with more than three hundred color photos, this gorgeous profile of the most highly coveted cars on earth is sure to evoke the dream of all car enthusiasts: speed and adventure.</p>
