Tips, techniques, and recipes for making super--tasty chocolate treats At last, the ultimate chocolate fix is here! This easy--to--follow guide helps chocolate lovers satisfy those chocolate cravings with decadent--but--doable recipes for cookies, cakes,

candies, and more. It shows how to choose, bake with, and store all types of chocolate and chocolate products including what's available in supermarkets, specialty stores, and from catalogs. From quick--fix snacks to spectacular desserts, there's something for everyone in recipes like Fudge Brownies, Devil's Food Cake with Vanilla Buttercream, Chocolate Covered Strawberries, and Chocolate Souffle. With dazzling color photos that tempt the eyes and the appetite, this book is perfect for entertaining and gift giving as well as everyday indulging.
