装帧:Hardcover

isbn:9780847825837

New England is as much a feeling as it is a region. It's Cape Cod clambakes in the summer, apple-picking in Maine come fall, snug Vermont inns in the winter, and the

colorful, blooming gardens of the spring. Organized by season and anchored by authentic, classic New England houses, this book will show the real New England, capturing the experience of each place: its people, culture, history, and houses.

With more than 200 color photographs of New England's most picturesque homes and getaways, New England Style will be the book that every New Englander worth his salt will proudly display in his living room, inn, or Nantucket cottage. With its homespun personalities and favorite New England activities and recipes, the book is perfect for every New England native-and anyone who just wants to bring a bit of it home with them. A resource section will provide information on New England's great inns, restaurants, activities, and events.

作者介绍:

Tommy Hilfiger is a globally known fashion designer whose lifestyle product portfolio includes, among many other categories, bedding and bath accessories. He resides in Greenwich, CT and Nantucket.

Anna Kasabian writes about interior design, food, gardening, and architecture for Coastal Living, Yankee, Cook's Illustrated, and the Boston Globe. She is the author of seven books, including East Coast Rooms.
