If you have the courage to undertake them, these 101 things will change your life. Learn to fly a plane, go on a demonstration, meet your idol, milk a cow-there are a million things to do before you die, but only a hundred and one will change the way you live life now. 101 Things to Do Before You Die is an essential companion for anyone who wants to enjoy life as it races by. Stay in a five-star hotel, swim with sharks, study the Kama Sutra and put theory into practice-101 Things to Do Before You Die is about testing the limits of your freedom, taking some risks, and making your dreams come true. Entertaining and graphically arresting, and featuring checklists, cards to cut out and keep with you, and journal space to keep track of your 101 things as you experience them, this is the perfect book to help you or a loved one seize the day.
