出版时间:2001-06-15

装帧:Paperback

isbn:9783822855492

Eugène Atget roamed the streets with his bulky large format camera, systematically cataloguing turn-of-the-century Old Paris down to the very smallest details. His skilled, wonderfully atmospheric photos of Paris's parks, buildings, streets, store windows, prostitutes, workers, and even door handles are a joy to behold.

This abbreviated volume contains a selection of Atget's best photographs and is the perfect introduction to this master photographer's work.
