出版者:Gardners Books

出版时间:31 October, 2000

装帧:Paperback

isbn:9780140296907

The novels of Jane Austen depict a world of civility, reassuring stability and continuity, which generations of readers have supposed was the world she herself inhabited. Claire Tomalin's biography paints a surprisingly different picture of the Austen family and their Hampshire neighbours, and of Jane's progress through a difficult childhood, an unhappy love affair, her experiences as a poor relation and her decision to reject a marriage that would solve all her problems - except that of continuing as a writer. Both the woman and the novels are radically reassessed in this biography.
