No single designer has had as tremendous a hold on style in the twentieth century as Coco Chanel. In this sumptuous, profusely illustrated book, Janet Wallach shows readers Chanel style in all its glory--from the fabulous fashions she created to the glamorous life she led.

Like a character in a fairy tale, Coco Chanel rose from being an ordinary seamstress to reigning as the queen of fashion. Chanel was stunningly independent, beautifully feminine, and irresistibly desirable to men; most important, she was never afraid to be herself. A pioneer in an industry dominated by men, she turned her style into the revolutionary chic that set her fashions apart. Borrowing copiously from the wardrobes of her illustrious lovers (among them the Duke of Westminster and Grand Duke Dimitri of Russia), Chanel took trousers, tweeds, riding clothes, cuff links, and even neckties, and cleverly transformed them into elegant women's wear. With an understanding that only a female designer could have, she eased women's formerly confining way of dressing, adapting the freedom of men's clothing without sacrificing sensuality and femininity. Since then, women who seek the look of authority and supreme taste have embraced Chanel.

Fans of her couture will devour all the delectable stories behind such Chanel trademarks as fabulous fake pearls, minimalist hats, comfortable and beautifully structured suits, and legendary perfumes, and will marvel at the 150 astonishing photographs and illustrations. A delightful feast of pictures and words as stylish and elegant as the designer herself, Chanel Style celebrates the woman, the look, and the legend.

评论

那种优雅那种气质 太爱coco的态度和勇于改革的精神 以致于就算满大街都爱chanel 我也没关系 因为我真的爱chanel文化

因工作而看，看完有很多想法....
