1917. Sir Pelham Grenville (P. G.) Wodehouse, English humorist who wrote novels, short stories, plays, lyrics, and essays, all with the touch of gentle satire. He is best known as the creator of the irredeemably dim and unflaggingly affable Bertie Wooster and his invincible valet Jeeves, but Wodehouse also produced multivolume story cycles on Blandings Castle, Mr. Mulliner's extended family, Mike and Psmith, the Oldest Member, Uncle Fred, and the Drones Club. Contents: Bill the Bloodhound; Extricating Young Gussie; Wilton's Holiday; The Mixer-I; The Mixer-II; Crowned Heads; At Geisenheimer's; The Making of Mac's; One Touch of Nature; Black for Luck; The Romance of an Ugly Policeman; A Sea of Troubles and The Man with Two Left Feet.

作者介绍:

one of the greatest humorist in English literature last century
