Starting from scratch, simply by picking stocks and companies for investment, Warren Buffett amassed one of the epochal fortunes of the 20th century -- an astounding net worth of \$10 billion and counting. That awesome record has made him a cult figure.

This illuminating biography reveals a man whose conscientiousness, integrity, and good humor exist alongside an odd emotional isolation. Buffett also masterfully traces his life: his enormously successful partnership; his early, inspired investments in American Express and Geico; his companionship and investment with Katharine Graham of the Washington Post; his role in the Capital Cities purchase of ABC; his unique relationship with his wife and mistress; and his rescue of the scandal-ridden Salomon Brothers.

## 评论

巴菲特的人生固然有意思，但真正值得敬佩的是Lowenstein的文笔，真正的寓教于乐、欲罢不能

-----  
在人物传记里，已经算是文笔不错，我读的下去的了

-----  
"The great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude." A very great story of a very great man. He has many similarities with the characters in Atlas Shrugged.

-----  
The perfect example.
