Paul Cézanne (1839-1906) is considered the greatest of the postimpressionists and, with Gauguin and Van Gogh, a key figure in the development of 20th-century art. His achievements are well displayed in this large-format, sumptuously illustrated Spanish-language entry in the Big Art series. This solid sampling is punctuated by commentary by Cézanne expert Hajo DÜCHTING.--This text refers to the Hardcover edition
