In his bestselling and lavishly praised first book of stories, Adam Haslett explores lives that appear shattered by loss and discovers entire worlds hidden inside them. The impact is at once harrowing and thrilling. An elderly inventor, burning with manic creativity, tries to reconcile with his estranged gay son. A bereaved boy draws a thuggish classmate into a relationship of escalating guilt and violence. A genteel middle-aged woman, a long-time resident of a psychiatric hospital, becomes the confidante of a lovelorn teenaged volunteer. Told with Chekhovian restraint and compassion, and conveying both the sorrow of life and the courage with which people rise to meet it, *You Are Not a Stranger Here* is a triumph of storytelling.
