With an eye for style, Sutherland captures all of the gritty glory and glamour of the graffiti world and its warriors. Collected for the first time in Autograf: New York City's

Graffiti Writers , Sutherland presents a never-before-seen chronicle of the people and places that populate New York's famed graf scene. Featuring old-school legends FUTURA, STAY HIGH 149, LADY PINK and DOZE, as well as new-school writers COPE 2, CLAW, KR, CYCLE, KAWS, SACER, EARSNOT, SERF, RATE, CINIK, UFO, and DSENSE, among many others, each one of the fifty-three portraits is authentically tagged by the individual writers using the same paint markers that brought them fame.

Complemented by one hundred sixty landscape photographs and featuring handwritten text by legendary recluse REVS, Autograf is the only book to showcase New York City's graffiti scene as it was created and defined by some of the most prolific artists of our time.

内容虽说是Graffiti但是更像是一本人像摄影的书籍，里面有2004年前在纽约最出名的一班涂鸦份子，没有他们做代表作品的展示，只是在他们的个人肖像里有他们的涂鸦签名，虽然说很多涂鸦都是以他们的名字来创作的，但说实话也太没内容了，大约有20多位被收录进此书……作为人像摄影的话这本书还能给3颗星的，但是作为Graffiti只能说给2颗星都给多了……

岗山之行的收获。。。有点贵。纠结了好久。就是一本写真集（为神马米国亚马逊才卖8块？？？）

pdf

艺术家相册

感觉一般啦
