此书还是适合给有相当工作经历的人参阅体悟。印象比较深的一条是- The real reason for expressing an opinion is be is you have been asked to。

finally done. a lot of the things just like all self-help books are already known. but how much would i follow? um
第一本借的是rules of life覺得好有道理但也是續借了五次都還沒看完。第二本for work,好像不太被擊中,就是偶爾有被remind比如要謹言慎行以及注意衣著談吐等等,甚至有時感覺這是一本老闆寫來激勵下屬好好為自己做牛做馬的洗腦書。
实用! 而且他的风格我很喜欢,感觉自己学了好多口语。The anthor said,you can do all your learning in secret,in private—you just don't let anyone know you're read this book;it is your secret bible. 我还是忍不住分享了~希望更多人读到这本书,哈哈
