He is one of the world's most accomplished figures of modern finance. As chairman and chief executive officer of Citigroup, Sanford "Sandy" Weill has become an American legend, a banking visionary whose innovativeness, opportunism, and even fear drove him from the lowliest jobs on Wall Street to its most commanding heights. In this unprecedented biography, acclaimed Wall Street Journal reporter Monica Langley provides a compelling account of Weill's rise to power. What emerges is a portrait of a man who is as vital and as volatile as the market itself. *Tearing Down the Walls* tells the riveting inside story of how a Jewish boy from Brooklyn's back alleys overcame incredible odds and deep-seated prejudices to transform the financial-services industry as we know it today. Using nearly five hundred firsthand interviews with key players in Weill's life and career -- including Weill himself -- Langley brilliantly chronicles not only his success and scandals but also the shadows of his hidden self: his father's abandonment and his loving marriage; his tyrannical rages as well as his tearful regrets; his fierce sense of loyalty and his ruthless elimination of potential rivals. By highlighting in new and startling detail one man's life in a narrative as richly textured and compelling as a novel, *Tearing Down the Walls* provides the historical context of the dramatic changes not only in business but also in American society in the last half century.

貌似对双鱼座的老板们有种痴迷，such workaholics! 不知道我是不是真的被他们不遗余力的敬业态度折服呢，还是患上了斯德哥尔摩综合症...看完觉得学生时代的妄自菲薄和怀疑人生都大可不必，只要会尽调，条条大路通罗马！
