In this collection are seven stories by Wang An yi, the most popular Chinese woman writer of Shanghai. The stories tell much about the quality of life in China in the 1980s and the different senses of value of the writer's generation. The writer has captured not only the flavor of the Chinese earth ,but alapsed moment in time. Her stories serve as a good place to start reading contemporary Chine literature for foreign readers who are interested in China.

翻译课汉译英就是它，表示绞尽脑汁翻得也没有翻出个所以然。。。看了葛浩文的译文顿觉人家的强大，强悍,不愧是汉学家！
