The winner of the Pushcart Prize, the Kafka Award, and the National Book Award, Ursula K. Le Guin has created a profound and transformational literature. The award-winning stories in *A Fisherman of the Inland Sea* range from the everyday to the outer limits of experience, where the quantum uncertainties of space and time are resolved only in the depths of the human heart. Astonishing in their diversity and power, they exhibit both the artistry of a major writer at the height of her powers and the humanity of a mature artist confronting the world with her gift of wonder still intact.

我还挺喜欢这本合集的……除了“The Rock That Changed Things”和“The Kerastion”两篇算是奇幻，其他算是科幻。我喜欢The Rock这篇，很直白的寓言，放下的第一块和最后飞入窗内的第一块石头，虽然作者自己认为“太沉重”。最后三个churten theory的中篇都很好看，前两个都是“故事的故事”，探讨了“叙事”的主题；最后another story这篇加入了Planet O的元素，关于时空错乱与同一个人生的不同真相，果然UKL故事中的所有主角都回家务农了（误）另Gorgonids这篇笑死我了，序言也很值得一读www

Is there any world in this universe where men can understand women?
