著者:Dell Upton

出版者:Yale University Press

出版时间:1997-02-27

装帧:Paperback

isbn:9780300065657

In this prizewinning book, Dell Upton interweaves architectural and cultural history to create a vivid new picture of colonial Virginia. Lavishly illustrated with photographs and drawings, the book examines the architecture, decoration, and furniture of Virginia's Anglican churches as expressions of eighteenth-century life and society.
