isbn:9780060776534

Their Eyes Were Watching God, an American classic, is the luminous and haunting novel about Janie Crawford, a Southern Black woman in the 1930s, whose journey from a free-spirited girl to a woman of independence and substance has inspired writers and readers for close to 70 years.</p>

This poetic, graceful love story, rooted in Black folk traditions and steeped in mythic realism, celebrates boldly and brilliantly African-American culture and heritage. And in

a powerful, mesmerizing narrative, it pays quiet tribute to a Black woman who, though constricted by the times, still demanded to be heard.</p>

Originally published in 1937 and long out of print, the book was reissued in 1975 and nearly three decades later Their Eyes Were Watching God is considered a seminal novel in American fiction.</p>

Performed by Ruby Dee</p>
