The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format.

Explore how generational and cultural differences can divide — and then unite — immigrant mothers and their American-born daughters as you study CliffsNotes on The Joy Luck Club.

This novel describes the lives of four women, who fled <st1:country-region w:st="on"><st1:place w:st="on">China</st1:place></st1:country-region> in the 1940s, and their contentious relationships with their four very Americanized daughters. Through the love of their mothers, each of these young women learns about her heritage and so is able to deal more effectively with her life.

CliffsNotes provides detailed plot summaries, critical commentaries, and a helpful character list to help you uncover all the insight this novel has to offer. Make studying easier with CliffsNotes on The Joy Luck Club. Other features include <ul type="disc">
