This official companion to the movie takes readers behind the scenes with a fascinating, intimate view of every stage of production, from scriptwriting to costuming to digital effects. Packed with exclusive images and personal recollections from the filmmakers, actors, and crew, The Making of King Kong takes you on a captivating journey to Wellington, New Zealand, where readers will: find out what it's like to be on set during filming; learn the tricks of the miniatures trade from the wizards of Weta Workshop; experience 1930s New York with the expert team of construction workers and set dressers; and marvel at the cutting-edge technology of Weta Digital. Over 200 full-color photos -- including original concept art, digital storyboards, and candid behind-the-scenes snapshots -- vividly illustrate this massive cinematic undertaking, alongside in-depth interviews with Peter Jackson, Richard Taylor of Weta Workshop, Andy Serkis, Philippa Boyens, and many more. The Making of King Kong is a comprehensive, indispensable companion to the acclaimed film that no fan should miss.
